VISION: Active Minds, Gracious Hearts

Our vision captures what we believe our children can become.
We see our children developing into:

Passionate Lifelong Learners

We will approach learning with wonder and curiosity.

Cross-Cultural Communicators

We will embrace diversity, build bridges and collaborate with others.

Values-Centred Leaders

We will lead and make decisions guided by reflection and our school values.

STEM+ Innovators

We will think critically and inventively to solve tomorrow's challenges with perseverance.

The Vision comes to life through our Mission, Motto and Values

MISSION: Creating a culture of innovation and excellence in our caring learning community, where collaboration between school, family and partners empowers every child to flourish.

MOTTO: Wisdom and Grace

VALUES: R3ICK – Responsibility, Resilience, Respect, Integrity, Commitment & Kindness

Holistic Development for Primary 1 includes:

Prioritising the development of values, social-emotional competencies and self-help skills

Focusing on building learning dispositions to become Lifelong Passionate Learners, including curiosity collaboration, reflection and perseverance

Building strong foundations in literacy and numeracy

Strengthening 21st Century Competencies and Digital Literacy in an age-appropriate manner

Building Strong Foundations: How is it achieved?

Hands-on Learning is an essential feature that taps students' inquisitiveness and ignites a self-sustaining passion for learning.

Differentiated support for children with differing learning needs

No examinations and weighted assessments at P1 and P2

to provide more time and space to settle into a formal school setting, build relationships and develop the necessary skills and attitudes towards learning.

Teachers inculcate **routines** so that students develop **good habits** for learning and interacting with others.

Fostering School-Home Collaboration

1 Respectful
Communication

2 Role Models

3 Real Connections

Respectful Communication

**Foster kind words and actions
between schools and educators**

Listen to and understand each other's perspectives and concerns regarding each child

Communicate kindly using official channels. Teachers are not required to share their personal mobile numbers

Respect each other's time by communicating during working hours

Role Models

Show our children the skills and values they need for life

Find joy in everyday experiences with our children

Instill confidence by encouraging responsibility and believing in our children's abilities

Model good values in words and actions

Check out this video on MOE YouTube for tips on how parents can support the social-emotional learning of their children.

Real Connections

Cultivate strong relationships and healthy habits in this digital age

Establish good habits for our children to stay confident and in control of their technology use

Build strong bonds through shared experiences and meaningful conversations

Provide a balanced mix of engaging online and offline activities, at school and at home

Check out the refreshed Guidance on Screen Use in Children by MOH.
